EXTENSION – SPECTACULAR SELOUS

5 days/4 Nights

Travel off the beaten track and explore the undisturbed wilderness of Selous Game Reserve, with its dramatic landscapes and spectacular diversity of wildlife. Immerse yourself in this remote and untouched destination and enjoy the opportunity to explore the African bush on foot on a variety of walking safaris. Glide along the tranquil waters of vast lakes and rapid running rivers. Traverse endless open spaces in search of exceptional animal sightings, shared with nobody other than your fellow travellers. This exceptional adventure offers an authentic glimpse of one of Tanzania's lesser known, yet most beautiful, natural treasures.

Highlights include:

- Excellent game viewing in the grass plains, wetlands, swamps and dense forest of Selous Game Reserve
- Exciting opportunity to view the rare and endangered African wild dog
- A wonderful selection of game viewing adventures, which range from game drives and boat cruises to guided walking safaris

The adventure starts and ends at Dar es Salaam International Airport in Tanzania

DAY 1

Upon your arrival at Dar es Salaam International Airport you will be met by a member of our team who will hand over your travel documents and assist you to your scheduled transfer into Dar es Salaam.

Despite its name, which means "abode of peace" in Arabic, **Dar es Salaam** is Tanzania's largest and busiest city. It is the country's most important business and commercial hub and is situated right on the Indian Ocean. It is the main port of call for most visitors, as it is an ideal location from which to access both the wilderness areas and the beaches of Tanzania and Zanzibar. Most visitors en route to the better-known Tanzanian attractions are surprised by the charm of this unassuming city and find themselves yearning for more days to explore its hidden secrets. Must-see attractions include the beautiful beaches of Kunduchi, Mjimwena and Mbwa Maji, Dar es Salaam's spectacular harbour and the local markets.

Unwind for one night in Dar es Salaam.

DAY 2

After breakfast, you will be driven to Dar es Salaam domestic Airport for your scheduled Coastal Aviation flight to the Selous.

Secluded and off the beaten track, the **Selous Game Reserve** offers visitors a slice of undisturbed wilderness, teeming with a spectacular array of fauna and flora. It was declared a World Heritage Site due to its dramatic landscapes and great diversity of wildlife. The Selous is one of the few big game reserves to allow hiking, offering wildlife enthusiasts the chance to explore Tanzania's pristine landscapes on foot.

Spend 3 nights roaming the Selous by foot, by vehicle and by boat.

Accommodation at **Beho Beho** is in a thatched cottage with en suite bathroom. Your stay includes accommodations, meals and drinks.

DAY 3 AND 4

Safari in the Selous is subtly different. Sit back and enjoy game drives without seeing another sign of humanity. Leave the vehicle on the road and quietly follow your guide on an impromptu tracking walk. Walk quietly through the cool morning as the bush gradually wakes up all around.

Stand on a rocky outcrop and gaze out across a wilderness so vast it defies description. Wiggle your toes in the soft sand of the riverbank, a refreshing drink in one hand and binoculars in the other, or dig those toes in for better balance while battling a ferocious tigerfish.

Glide around giant pods of hippo to the quiet murmur of outboard engines or drift silently by as elephants come down to drink. Lie back with nothing but a mosquito net obscuring the view and watch the stars come out. Rise for morning coffee or tea on the shores of a scenic lake a full day's walk from your lodge. Feel a tingle as your flashlight illuminates the shining eyes of

floating crocodiles. As the sun sets, warm weary feet by the fire and contemplate a day spent roaming this unspoilt paradise.

DAY 5

After breakfast, you will be transferred back to the airstrip in time for your scheduled Coastal Aviation flight to Dar es Salaam Airport.
