Lewa Safari Camp has a stunning location within Lewa Wildlife Conservancy, with outstanding game viewing and spectacular views of Mt. Kenya. The camp has exquisite gardens with a large sunny verandah and swimming pool to enjoy during the day and cozy log fires for more chilly evenings. Lewa Wildlife Conservancy is home to about 10% of Kenya's black rhino population and the largest population of Grevy's zebra in the world. Lewa re-invests all the profits generated from tourism (including profits from Lewa Safari Camp) into its core programmes. By visiting Lewa, you help thousands of people from different cultures improve their lives and give their children a future, at the same time as ensuring Africa's wildlife has a stable home.

DAYS 4 - 6: MASAI MARA, Elephant Pepper Camp

After breakfast, you will be transferred to the airstrip for your scheduled flight to the Masai Mara. On arrival, you will be met by a representative from Elephant Pepper Camp who will transfer you to the camp with game viewing en route. Elephant Pepper Camp is situated in the prime core of the protected Mara North Conservancy wilderness area. In the same location for 20 years, one of the original, very small and exclusive

tented camps, Elephant Pepper is located away from other lodges, in the heart of the African bush. Our spacious canvas tents are comfortably furnished, featuring ensuite bathrooms with flush toilets. Nothing rivals sitting around the campfire enjoying the sounds of the African night. Enjoying extended game drives in the best equipped 4x4 game drive vehicles, clients participate in the most unique wildlife experience in the world. Elephant Pepper Camp brings people back to nature - no traffic, no permanent structures, just the sights and sounds of the African bush.
