All meals, activities and arrangements can be made from the privacy of your home away from home. Activities include day & night game drives, guided walks, bush meals, sundowners, river excursions, fishing and massage.... And don't forget the rhino sanctuary.

DAY 4 - 5: BORANA RANCH, Laragai House

After breakfast you will be transferred to the airstrip for your private charter flight to Laragai departing at 10h00. You will be met at the airstrip and transferred to Laragai House. Accommodation is booked for 2 nights on a full board basis. Laragai is a house of spectacular beauty and can sleep up to twelve guests in extreme comfort. The house is built on the edge of an escarpment which descends 3,000 feet into the Northern Frontier District. The views are stupendous - Lolokwe and Wamba Mountain dominate the far horizon to the north and Mt. Kenya looms out of the clouds to the south.

An extraordinary house was constructed - no corners were cut and the most opulent home in Laikipia was created. Mirrors from Ireland, fabrics from London, hand-made furniture from Kenya and rugs from Rajasthan were used to decorate the house. The result is an eclectic mixture of styles and textures, which give Laragai its totally unique appearance. The swimming pool at Laragai has stunning views to the west over Borana ranch. The area is cleverly sheltered from the weather. The pool is heated and can thus be used at all times. Some of the activities include game driving, bush walking, horse riding and mountain biking.

DAYS 6 - 8: MASAI MARA, Ol Seki

After breakfast you will be transferred to the airstrip for the Air Kenya scheduled flight to the Masai Mara departing at 10h30. You will be met at Siana Airstrip and transferred to Ol Seki. Eastern Koiyaki, north of the Mara, provides a rare opportunity to enjoy wildlife viewing in a pristine setting. This oasis of inspired and beautifully designed tents is nestled amongst Cordia and Acacia trees attracting an abundance of wildlife and birds, many of which are seen from the tents in the valley below. Enjoy elegant candle lit dinners! Make an appointment with the resident masseuse - a delight for all senses! With privacy in mind, the ambience of the traditional mobile safari camp has been extended to heights never dreamed of in this peaceful and magical setting.

Each room, designed to harness the colours and textures of the surrounding natural landscape, combines a variety of white quartz stone, pale thatch, polished fig-wood and smooth white walls that give it both a unique contemporary style and a touch of the African

bush. Water is a main feature of the property, flowing through each room and collecting in private cool pools where one can peacefully enjoy the expanse that stretches to the horizon.
